**DRUG TESTING AND TREATMENT**

You must refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and must submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that you must submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. You must abide by the rules of any program and must remain in treatment until satisfactorily discharged by the Court. You must alert all medical professionals of any prior substance abuse history, including any prior history of prescription drug abuse. The U.S. Probation Office will supervise your compliance with this condition.

**CAUSE**

Raheem Jackson currently resides in Newark, New Jersey, is employed full-time as a dishwasher at a local restaurant and has remained communicative and responsive to the probation office. On November 14, 2022, Your Honor signed a Report on Individual Under Supervision (Probation Form 12A), which alerted the Court that Jackson admitted to the use of marijuana in August 2022. Jackson was verbally reprimanded and warned of future consequences should he continue to use drugs.

On December 15, 2022, the undersigned completed a home visit at Jackson's residence and obtained a urine sample that tested positive for amphetamines. Upon questioning, the individual under supervision admitted to consuming an ecstasy pill four days prior. Jackson denied having a substance abuse problem, and stated he took the ecstasy pill to enhance sexual activities. Jackson signed an admission of drug use form admitting to ingesting ecstasy.

Jackson was verbally reprimanded for his use of narcotics. The undersigned spoke at length with Jackson regarding his use of drugs, and he admitted to knowing ecstasy was an illegal substance. The individual under supervision was informed that not only is ecstasy illegal, but it is also a dangerous substance.

Notably, Jackson tested positive for ecstasy only six weeks after admitting to the use of marijuana. At this time, the probation officer believes Jackson will benefit from substance abuse treatment.

Since the individual under supervision does not currently have a drug testing and treatment special condition, the probation office is requesting the conditions be modified to include same. On December 20, 2022, Jackson signed the attached Waiver of Hearing Probation Form 49 consenting to a modification of the special conditions to include drug testing and treatment.

The probation office is respectfully recommending the conditions be modified as noted above so that Jackson can be referred for substance abuse treatment. The probation office will monitor Jackson's compliance with treatment, along with the remaining conditions of supervision and we will continue to report any non-compliance to the Court.

Respectfully submitted,

SUSAN M. SMALLEY, Chief  
U.S. Probation Officer
